

🌐🚀 Exciting News! On November 2nd, our team at Coworking PLUS joined the partners of the Erasmus+ project REBUILT in a dynamic online meeting. 🤝 We were actively engaged in discussions that revolved around project management and the strategic planning of key milestones especially related to the development of Result 3—the REBUILT low-carbon transition action plan for businesses— as well as all other project activities and results for successful project development and completion. 📊🎯

Stay tuned as we work collaboratively to make a significant impact through our shared efforts! 🌍🌱
